July in Delano

It's been a great summer so far in Delano! It all started off with our traditional heat, but cooled down for a few days with some much needed rain stretched out over several days.

Some great news for Wichita in general, Delano specifically, is the news the Wichita City Council has voted to designate the Green Space along McLean Boulevard between Vine and Fern streets as a park! Congratulations to all of the folks with the *Save Our Delano Green Space* and the *ICT Trees* for being the driving force behind all of this. Join them on Facebook to keep up with the latest news. The official name has not yet been decided, several names are being considered. Please watch for more details in the near future.

Please consider joining your neighbors at the Delano Neighborhood Association meeting this month at Delano's Diner. Meetings are always open to the public and we would like to hear from our Delano neighbors about any concerns or ideas they have to help make Delano a better place to live for all.

Thank you!

Would YOU Like To Be A Delano District Director?

We are still in need of District Directors for Districts 1, 3, and 5. See map on page 2 showing the boundaries for each District. What's involved? Please read the job description below to determine if you are a good fit.

“District Directors, Directors live within the district they reside. The Directors are encouraged to get to know the specific needs of their districts and make contact with neighborhood members to learn as much as possible of those needs and specifics. The Director will bring a report of those needs and specifics to the attention of the Executive Board at their next Board Meeting. To enhance the communication process the Director can appoint Block Captains within his/her district. The Block Captains should be relied upon to be the ears and eyes of the Director and should assist in facilitating overall communication within their area. Directors and Block Captains can call for meetings within their area of responsibility to enhance proper communication and the solving of specific issues that can only be remedied at the local level.”

If interested, please contact our President, Christopher Parisho, his contact info is also shown on page 2 of this newsletter. Thank you.
