January in Delano

Happy New Year!

Hopefully everybody is ready for the cold weather coming our way in the coming months. But don't worry, spring and summer will be here once again.

Your friends and neighbors in the Delano Neighborhood Association invite you to please join our January meeting which will be a Soup Potluck Dinner. Please bring your favorite soup, stew, or other concoction to share. Meet your new Board Members and share your thoughts and ideas for Delano. It's going to be fun - you won't want to miss out!

What with the many infrastructure improvements happening, the St. Paddy's Day Parade, Riverfest, the WindSurge at Riverfront Stadium, the list of projects happening along with a variety of events to enjoy and participate in just keeps growing!

Lastly, don't forget about the many businesses, churches, and restaurants here in Delano that help to give us our unique "vibe" that we all love so much. Please *support* them - they are an essential part of our Delano. The good news is there are even MORE coming in the coming year. It seems like everybody wants to be a part of Delano!

Happy New Year

Keep Radon on Your Radar!

January is National Radon Action Month. Radon is a radioactive gas you can't see or smell, but it can cause severe health effects if it gets into your home. Naturally existing, low levels of uranium occur widely in the Earth's crust. It is found in all 50 states!

When was the last time you tested your home for Radon gas? Testing every 2 - 5 years is the only way to ensure you and your loved ones are safe from elevated levels of Radon in your home. Don't put this off, exposure to Radio is the #1 cause of lung cancer in non-smokers. Test your living space today and mitigate any high radon levels. Test! Fix! Save a life!
