June in Delano

Riverfest is well under way and summer is almost here! This has been an exceptional spring for gardeners with just enough rain that supplemental water has been at a minimum. Be sure to notice some of the gorgeous flowers and other photos pictured in the *Out and About in Delano* section.

June is also a busy month with Father's Day, the beginning of summer, the last of the Graduations, Weddings, and so much more!

Besides reading *The Delano Dispatch*, try to also attend the Neighborhood Association Meeting each month. Please consider joining us this month on the 18th when we meet at Delano's Diner. Come and enjoy a meal with others while attending the meeting, however, do not feel obligated to purchase a meal, you can just come and be a part without eating.

It's fun to live in our Historic Delano, it just keeps getting better all the time!

~Thank you!

Would YOU Like To Be A Delano District Director?

We are still in need of District Directors for Districts 1 and 5. See map on page 2 showing the boundaries for each District. What's involved? Please read the job description below to determine if you are a good fit.

“District Directors, Directors live within the district they reside. The Directors are encouraged to get to know the specific needs of their districts and make contact with neighborhood members to learn as much as possible of those needs and specifics. The Director will bring a report of those needs and specifics to the attention of the Executive Board at their next Board Meeting. To enhance the communication process the Director can appoint Block Captains within his/her district. The Block Captains should be relied upon to be the ears and eyes of the Director and should assist in facilitating overall communication within their area. Directors and Block Captains can call for meetings within their area of responsibility to enhance proper communication and the solving of specific issues that can only be remedied at the local level.”

If interested, please contact our President, Vincent Hancock, his contact info is also shown on page 2 of this newsletter. Thank you!
